Re: NPF White Label Video Content Production

To Whom It My Concern:

This letter is to confirm that The National Park Foundation has retained The Directors Bureau to produce NPF White Label Video Content Production on our behalf, filming on August 9, 2018 and August 10, 2018. Any fees waived and/or reduced by Film L.A. and the City of Los Angeles for this project will result in an equivalent reduction in cost to The National Park Foundation.

Project Summary

The National Park Foundation is creating a series of short social videos that capture relatable modern life frustrations along side the serenity of the national parks. The videos will promote and encourage visitation to lesser known parks and will drive viewers to findyourpark.com.

Dear Sir or Madam:

This letter is in response to your request for a copy of your organization's determination letter. This letter will take the place of the copy you requested.

Our records indicate that a determination letter issued in June 1981, granted your organization exemption from federal income tax under section 501(c)(3) of the Internal Revenue Code. That letter is still in effect.

Based on information subsequently submitted, we classified your organization as one that is not a private foundation within the meaning of section 509(a) of the Code because it is an organization described in sections 509(a)(1) and 170(b)(1)(A)(vi).

This classification was based on the assumption that your organization's operations would continue as stated in the application. If your organization's sources of support, or its character, method of operations, or purposes have changed, please let us know so we can consider the effect of the change on the exempt status and foundation status of your organization.

Your organization is not required to file Form 990, Return of Organization Exempt from Income Tax.

All exempt organizations (unless specifically excluded) are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of $100 or more paid to each employee during a calendar year. Your organization is not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Organizations that are not private foundations are not subject to the excise taxes under Chapter 42 of the Code. However, these organizations are not automatically exempt from other federal excise taxes.

Donors may deduct contributions to your organization as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to your organization or for its use are deductible for federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

National Park Foundation

Your organization is not required to file federal income tax returns unless it is subject to the tax on unrelated business income under section 511 of the Code. If your organization is subject to this tax, it must file an income tax return on the Form 990-T, Exempt Organization Business Income Tax Return. In this letter, we are not determining whether any of your organization's present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

The law requires you to make your organization's annual return available for public inspection without charge for three years after the due date of the return. If your organization had a copy of its application for recognition of exemption on July 15, 1987, it is also required to make available for public inspection a copy of the exemption application. You can charge only a reasonable fee for reproduction and actual postage costs for the copied materials. The law does not require you to provide copies of public inspection documents that are widely available, such as by posting them on the Internet (World Wide Web). You may be liable for a penalty of $20 a day for each day you do not make these documents available for public inspection (up to a maximum of $10,000 in the case of an annual return).

Because this letter could help resolve any questions about your organization's exempt status and foundation status, you should keep it with the organization's permanent records.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

This letter affirms your organization's exempt status.

Sincerely,

Robert C. Padilla
Manager, Customer Service

EXEMPT ACKNOWLEDGEMENT LETTER

This letter acknowledges that the Franchise Tax Board (FTB) has received your federal determination letter that shows exemption under Internal Revenue Code (IRC) Section 501(c)(3). Under California law, Revenue and Taxation Code (R&TC) Section 23701d(c)(1) provides that an organization is exempt from taxes imposed under Part 11 upon submission of the federal determination letter approving the organization's tax-exempt status pursuant to Section 501(c)(3) of the IRC.

The effective date of your organization's California tax-exempt status is 06/01/1981.

R&TC Section 23701d(c)(1) further provides that the effective date of an organization's California tax-exempt status is the same date as the federal tax-exempt status under IRC Section 501(c)(3).

Under R&TC Section 23701d(c), any change to your organization's operation, character, or purpose that has occurred since the federal exemption was originally granted must be reported immediately to this office. Additionally, organizations are required to be organized and operating for

90th Congress, S. 814
December 18, 1967

An Act

To establish the National Park Foundation.

81 STAT. 656

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That in order to encourage private gifts of real and personal property or any income there from or other interest therein for the benefit of, or in connection with, the National Park Service, its activities, or its services, and thereby to further the conservation of natural, scenic, historic, scientific, educational, inspirational, or recreational resources for future generations of Americans, there is hereby established a charitable and nonprofit corporation to be known as the National Park Foundation to accept and administer such gifts.

National Park Foundation. Establishment.

SEC. 2. The National Park Foundation shall consist of a Board having as members the Secretary of the Interior, the Director of the National Park Service, ex officio, and no less than six private citizens of the United States appointed by the Secretary of the Interior whose initial terms shall be staggered to assure continuity of administration. Thereafter, the term shall be six years, unless a successor is chosen to fill a vacancy occurring prior to the expiration of the term for which his predecessor was chosen, in which event the successor shall be chosen only for the remainder of that term. The Secretary of the Interior shall be the Chairman of the Board and the Director of the National Park Service shall be the Secretary of the Board. Membership on the Board shall not be deemed to be an office within the meaning of the statutes of the United States. The Board shall meet at the call of the Chairman and there shall be a least one meeting each year.

An interest in the real property includes, among other things, easements or other rights for preservation, conservation, protection, or enhancement by and for the public of natural, scenic, historic, scientific, educational, inspirational, or recreational resources. A gift, devise, or bequest may be accepted by the Foundation even though it is encumbered, restricted, or subject to beneficial interested of private persons if any current or future interest therein is for the benefit of the National Park Service, its activities, or its services.

SEC. 4. Except as otherwise required by the instrument of transfer, the Foundation may sell, lease, invest, reinvest, retain, or otherwise dispose of or deal with any property or income thereof as the Board may from time to time determine. The Foundation shall not engage in any business, nor shall the Foundation make any investment that may not lawfully be made by a trust company in the District of Columbia, except that the Foundation may make any investment authorized by the instrument of transfer, and may retain any property accepted by the Foundation.
